

Dear Patients, I want to inform you that I will be closing my family practice at Divine Medical Clinic and transitioning to a new clinic, High Street Medical, in Coquitlam, BC. My final day at my current practice will be 12 April 2025.

This relocation was not planned and is happening due to reasons out of my control. While I understand that transitions like this can be difficult, I want to assure you that you have the option to continue receiving care at High Street Medical if you choose to do so. The address and contact information of my new clinic are included at the bottom of this letter.

You can visit the High Street Medical Website or call/text us at 6045527101 to book an appointment.

For those who wish to seek care elsewhere, I recommend registering with the Provincial waitlist (Health connect registry) for a new physician. You can do so by visiting this link: <https://www.healthlinkbc.ca/find-care/health-connect-registry>

When you find a new physician/Primary provider, their office can request a transfer of your records from High Street Medical Clinic.

I sincerely regret that I am unable to discuss this transition with each of you individually. Please know that my time with you has been incredibly meaningful, and it has been an honor to serve as your physician. I deeply appreciate the trust you have placed in me and have truly enjoyed being a part of your healthcare journey.

If you have any questions regarding this transition, please do not hesitate to reach out.

Wishing you all the best in health and wellness. Sincerely,

Dr. Hajar Arani Shahpouri
